Overview

Rapesco Eco Punch Pockets, A4

ECO Punched Pockets.

100% biodegradable crystal clear pocket/sheet protector, Multi punched reinforced edge, Top opening.

The new ECO range of PP Document Management has been designed to give consumers the choice at no premium in cost.

Carefully selected additives enable Rapesco ECO products to safely biodegrade with no harm to the environment.

These unique biodegradable materials can be safely, 100% recycled and also contain some recycled materials in the manufacturing process.

During the biodegradable process the products do not emit methane or any chemicals harmful to the soil, even in deep landfill.

0.06mm thickness.
