Overview

Rapesco Eco (A4+) Biodegradable Polypropylene Popper Wallet (Assorted Colours) Pack 5

This A4 size ECO popper wallet is made from durable coloured polypropylene for easy, colour-coordinated filing and also features a press stud closure to keep your documents secure.

There is also a pen holder under the flap.

The new ECO range of PP Document Management has been designed to give consumers an environmentally-friendly choice at no extra cost.

Carefully-selected additives enable Rapesco ECO products to biodegrade safely without causing harm to the environment.

These unique biodegradable materials are 100% recyclable and also contain some recycled materials in the manufacturing process.

During the biodegradation process, the products do not emit methane or any chemicals harmful to the soil, even in deep landfill.

- Press-stud closure to keep contents secure
- 100% biodegradable and 100% recyclable polypropylene makes this product environmentally-friendly
