Overview

Dudley KF21001 (Foolscap) Tabbed Suspension File (Pack of 50)

These Q-Connect Foolscap Tabbed Suspension Files are ideal for economical filing.

Pre-punched for 2-piece filing clips and made from attractive and durable green manilla, these files are a great option for filing at home or in the office.

These files are foolscap size (390mm wide, 220mm deep) to fit a wide range of files and cabinets.

Supplied complete with snap on tabs and white inserts for labelling, this pack contains 50 suspension files.

- Files for suspension filing systems
- Made from durable heavyweight manilla
- Foolscap size for A4 papers and larger
- Front opening to give easy access to files
- Includes snap-on tabs with blank inserts
- Pre-punched for 2-piece filing clips
- Colour: Green
- Size: Foolscap
- Pack of 50 files
