Overview

Avery IndexMaker (A4) Punched Dividers 5-Part

Preparing a marketing plan? Don't worry about the final presentation of it, just focus on the content, and leave the rest to us.

Avery IndexMaker will give your projects a really professional finish.

You can make each topic really stand out using these indexes with white tabs.

From advertising to PR, research to digital marketing your reader will be able to dip into the information they want.

Just use printed tabs and the table of contents to make it easy for them to find what they're looking for.

The 5 part dividers can be used for many other business projects so order yours today.

- Dividers with clear tab labels
- Print professional dividers for your presentations and reports using your printer:
- Easily design your own front contents sheet and tab titles using your PC
- Print tab titles onto clear laser or inkjet labels
- Apply to set of reinforced dividers
- Formatting is easy with preset layouts in Microsoft Word and other popular software packages
- Punched dividers
- Comes complete with dividers, clear labels and contents sheet
- 5-part set
- Premium dividers with a set of clear labels, enabling you to print your own titles and apply to the tabs for a professionally printed on look
- The clear labels virtually disappear when applied to premium colour tabs
- Includes a table of contents sheet, ideal for presentations and customer's proposals

- Easy to use with pre-formatted templates in Microsoft Word and other software packages
- Add graphics or logo to further customise table of contents page
