### Overview

---

Avery Readyindex Extra Wide 1-5

Avery ReadyIndex Dividers look to make organisation as professional as possible.

If you think organisation is a constant pain, then these ReadyIndex dividers are the solution.

You can coordinate your documents into sections for extremely quick referencing.

You can even customise the table of contents with free design and print online software.

ReadyIndex reinforced dividers have reinforced punched holes and tabs for extra strength so you can use them time and time again.

Made from FSC certified paper from responsibly-managed forests, these bright dividers can be used for a range of filing needs.

Each divider pack comes with a contents sheet to enable easy referencing, that can be printed on both laser and inkjet printers.

This is a fast, no fuss organisation.

- Customise the content sheet
- Coloured, numbered, lettered or blank tabs to suit all needs
- High quality 200 g/m2 paper. Extra durable - reinforced tabs and punched holes
- Made from FSC certified paper from responsibly-managed forests
- Save time with our FREE, easy-to-use template software; Avery Design and Print
