## Overview

Avery LR7168-100 QuickPEEL Recycled Addressing Labels (199.6 x 143.5mm) White (Pack of 200 Labels)

How else can you make your office green? Do you use environmentally friendly products? If you work in an eco-friendly office you want to make sure you are doing all you can to protect the environment.

Well now that can include your mailing labels.

These Recycled Addressing Labels are made from 100% recycled paper and are packaged in recycled cardboard.

Not only that, there has been no additional forest clearance and less use of energy and water in the production process.

These natural white recycled labels give you peace of mind that you are doing your bit to protect the environment.
