Overview

Avery Multifunction Copier Labels 14 per Sheet 105x42.3mm White Ref 3653 [1400 Labels]

Avery Multipurpose labels are compatible with all printers including copiers, and now come with NEW UltraGrip varnish technology! UltraGrip technology was designed to give you absolute confidence that you are putting only the highest quality product through your printers.

The blue bar on the top, bottom and sides of the back sheet have varnish dots to ensure the printer feeds the label sheet correctly.

Printers aren't perfect, so to ensure you get the best results, select 'labels' as the media type, and also use the multipurpose tray to load the sheets, as we always recommend when using our labels.

The label format is 105 x 42.3 mm with 14 labels per sheet and are ideal for all sorts of applications.

- UltraGrip 3D diamond shaped microdot pattern on the blue bars, at the top and bottom of the sheet to ensure perfect print alignment
- Designed for use in all laser and inkjet printers, including multifunctional devices and photocopiers
- A comprehensive choice of labels for a range of applications at work or at home
- Save time with our FREE, easy-to-use template software; Avery Design and Print
- Made from FSC certified paper from responsibly-managed forests
