Overview

Avery Mini (72 x 21.1mm) Data Cartridge Labels (White) Pack of 600 Labels

Is there a lot of data to store in your office? Need a data storage system? Whether you are backing up data or simply have very large documents to save, a data cartridge is a great idea.

If you use data cartridges the chances are you will have a lot of them, so you need to make sure each one is labelled to show what's saved on it.

These labels for data cartridges can be designed and printed using Avery software.

Add text or numbers to show what's stored on each disc because you don't want to waste time looking for old files.

- Specifically designed to fit on data cartridges
- Clearly identify office and home media products quickly and easily
- Permanent
- Suitable for laser printers
- Easy to format using Avery DesignPro Software
