Overview

Avery Create Your Own Round Stickers Pack of 192 Stickers

The Avery Reward and Motivation range is a way for schools to praise and incentives students.

For years stickers have been the product of choice when rewarding children, but Avery 'Create your Own' stickers take merits to the next level.

This collection of sticker shapes allow you to write or print your own personalised messages, comments, instructions or praise, tailoring each sticker to each child.

What could be more rewarding than that? Say exactly what you want to say to each pupil - whether it be 'Well done Sam' or a more detailed reminder on work books.

Handwrite a different message on each sticker as an when you need them.

Alternatively, create and print individual personalised stickers using Avery's FREE and easy to use online software, visit www.avery.eu - there are 100s of design templates to choose from.

Avery blank stickers come as Stars, Circles, Speech Bubbles and Think Bubbles.
