Overview

Avery QuickPEEL (64 x 34 mm) Addressing Laser Labels (White) Pack of 2400 Labels

Print your address labels for letters and envelopes, quickly and easily using your laser printer.

Whether it's for small or large mailing expect nothing than great results.

Our UltraGrip technology for laser labels, ensures perfect print alignment every time! These mailing labels come with our special QuickPEEL technology for faster application.

Simply divide the 24 labels on the sheet along the perforation to expose the label edges and then peel and apply to your envelopes, it is so easy and makes labelling of envelopes so much quicker.

Ideal for labelling DL envelopes.

Our FSC certified labels are not only environmentally friendly they print with a sharp image and clear colours for a totally professional appearance.

The label format is 63.5 x 33.9mm with 24 labels per sheet and is an ideal size for applying to DL envelopes.

And, with our free template software, Avery Design &Print, you can easily create mailing labels with your company logo for instant brand recognition and use the quick and simple mail merge function for those large

mailings.

Whether you choose a pre-designed label template or start from scratch with your own design, you can trust our software to deliver smart, stand-out results.

- UltraGrip 3D diamond shaped microdot pattern on the blue bars, at the top and bottom of the sheet to ensure perfect print alignment
- JamFREE printing - special edges on the label sheet ensures no adhesive residue is left on your printer
- Label sizes perfectly optimised for all standard envelopes
- Made from FSC certified paper from responsibly-managed forests
- Save time with our FREE, easy-to-use template software; Avery Design and Print
