Overview

Avery QuickPEEL (63.5 x 46.6mm) Addressing Laser Labels (White) Pack of 4500 Labels

Make a lasting impression to your customers when sending your mail.

Avery Laser Address Labels are tried and tested and make the professional handling of large and small mailing so easy.

There's UltraGrip Technology on all our printable laser labels, ensuring the perfect print alignment every time.

And with our QuickPEEL technology, applying labels to envelopes is fast.

Simply divide the 18 labels on the sheet along the perforation to expose the label edges and then peel and apply, it is so easy and makes labelling of your mail so much quicker.

Ideal for labelling DL envelopes.

Our FSC certified labels are not only environmentally friendly they print with a sharp image and clear colours for a totally professional appearance.

The label format is 63.5 x 46.6mm with 18 labels per sheet and is an ideal size for applying to DL envelopes.

And, with our free template software, Avery Design &Print, you can easily create mailing labels with your

company logo for instant brand recognition and use the quick and simple mail merge function for those large mailings.

Whether you choose a pre-designed label template or start from scratch with your own design, you can trust our software to deliver smart, stand-out results.

- UltraGrip 3D diamond shaped microdot pattern on the blue bars, at the top and bottom of the sheet to ensure perfect print alignment
- JamFREE printing - special edges on the label sheet ensures no adhesive residue is left on your printer
- Label sizes perfectly optimised for all standard envelopes
- Made from FSC certified paper from responsibly-managed forests
- Save time with our FREE, easy-to-use template software; Avery Design and Print
