Overview

Avery QuickPEEL (99.1 x 33.9mm) Addressing Labels (White) Pack of 1600 Labels

Mailings are made easier when you use the unique QuickPEEL feature on these white laser address labels.

Simply divide the 16 labels on the sheet along the perforation to expose the label edges and then peel and apply, it is so easy and makes labelling of your mail so much quicker.

Ideal for labelling DL envelopes.

Avery mailing labels are packed with innovative product features like our UltraGrip technology ensuring perfect print alignment through your printer every time.

Also are FSC certified which means they are environmentally friendly but print with a sharp image and clear colours for a totally professional appearance.

The label format is 99.1 x 33.9mm with 16 labels per sheet and is an ideal size for applying to DL envelopes.

And, with our free template software, Avery Design and Print, you can easily create mailing labels with your company logo for instant brand recognition and use the quick and simple mail merge function for those large mailings.

Whether you choose a pre-designed label template or start from scratch with your own design, you can trust our software to deliver smart, stand-out results.

- UltraGrip 3D diamond shaped microdot pattern on the blue bars, at the top and bottom of the sheet to

ensure perfect print alignment

- JamFREE printing - special edges on the label sheet ensures no adhesive residue is left on your printer
- Label sizes perfectly optimised for all standard envelopes
- Made from FSC certified paper from responsibly-managed forests
- Save time with our FREE, easy-to-use template software; Avery Design and Print
