Overview

Avery L7164-250 QuickPEEL Addressing Labels (63.5 x 72mm) White (Pack fo 3000 Labels)

Creating professional mailings is especially important because everyone wants to save time and money and also make a good impression to customers.

Our tried and tested laser address labels with our UltraGrip Technology ensure perfect print alignment every time.

Whether you're printing in black and white or adding colour, these super white labels will look sharp and smart on your envelopes or small packages.

And with our QuickPEEL technology, applying labels is fast.

Simply divide the 12 labels on the sheet along the perforation to expose the label edges and then peel and apply, it is so easy and makes labelling of your mail so much quicker.

Ideal for labelling C4 envelopes.

Our FSC certified labels are not only environmentally friendly they print with a sharp image and clear colours for a totally professional appearance.

The label format is 63.5 x 72mm with 12 labels per sheet and is an ideal size for applying to C4 envelopes.

You can easily create mailing labels with your company logo for instant brand recognition and use the quick and simple mail merge function for those large mailings using our free template software, Avery Design &Print.

Whether you choose a pre-designed label template or start from scratch with your own design, you can trust our software to deliver smart, stand-out results.

- UltraGrip 3D diamond shaped microdot pattern on the blue bars, at the top and bottom of the sheet to ensure perfect print alignment
- JamFREE printing - special edges on the label sheet ensures no adhesive residue is left on your printer
- Label sizes perfectly optimised for all standard envelopes
- Made from FSC certified paper from responsibly-managed forests
- Save time with our FREE, easy-to-use template software; Avery Design and Print
