Overview

Bi-Office (1600 x 1000mm) Glass Projection Board White (Single)

A unique and stylish projection screen, the glass projection board with a size of 1600 x 1000mm, can also be used as a glass magnetic whiteboard.

Its anti-reflective matte surface ensures a good image quality and helps you make the most of your presentations.

The board has a 16:10 aspect ratio which makes it suitable for any high definition projector.

The versatility of this board allows it to be used as a regular smooth glass whiteboard to write on and wipe off, or post notes and messages with magnets, making it the perfect solution to any meeting rooms, offices and conference rooms.

- Size 1600 x 1000mm
- Glass whiteboard and projection screen
- Strong tempered glass with an anti-reflective matte surface that ensures a good image quality and contrast
- Suitable for use with any projector
- Ideal for 16:10 format projection
- The perfect solution for meeting rooms
- Offices and conference rooms
