Overview

Aqueduct Harrogate (10 litre) Bag in a Box Spring Water (Single)

For over 400 years the spa town of Harrogate has been renowned for the unique quality of its water.

Bottled straight from the spring on Harlow Hill near Harrogate, the water is naturally rich in magnesium and calcium with low sodium levels, giving a perfect balance of purity and taste.

This pack contains one 10 litre bag in a box designed for use in Aqueduct water coolers.

- Harrogate spring water designed for use in Aqueduct water coolers
- Naturally rich in magnesium and calcium, with low sodium levels
