Overview

Scotch Brown 50mm Packaging Tape

The leader among the packaging tapes is the Scotch packaging tape HEAVY.

It has the highest adhesive power in the product group and is particularly suitable for demanding adhesive work: for example, for closing medium to heavy moving boxes or parcels.

Its hot melt adhesive ensures its strong bonding and reliable results.

Like all Scotch packaging tapes, the tape is PVC-free.

- Highest bond strength: The Scotch packaging tape HEAVY is the leader among the packaging tapes - for demanding gluing work
- High-resistant adhesive hotmelt
- High initial tack and shear strength on cartons, easy to unroll
- PVC-free
