Overview

Tombow Correction Tape 4m CY-YT4

CT-YT4 is one of our best selling correction tape in US and EU.

Single line correction film in an ergonomic dispenser.

Sideways application pinpoints accurate placement of opaque film for quick, clean, complete coverage.

No more messy fluids! Write or type over the film instantly - no drying time! For any paper, including fax.

Leaves no copy shadows.

Colors are ideal for multi-forms and coloured note pads.

Acid-Free.

Individually blister carded.
