Overview

Helix Geometry School Class Pack

This pack is perfect for use in the classroom as it meets all your geometry needs, allowing up to 30 children to participate, making this an excellent classroom resource.

All of this pack is housed in a sturdy Grathnells Tray, a durable tray that will endure the rigours of the classroom while still protecting the contents and keeping them secure.

This set contains 30 of each item which includes angle measures, 30cm/300mm shatter resistant rulers, metal safety compasses with 9cm pencils, 13cm set squares and 10cm set squares, giving you everything you need for a whole class.

- Angle measure
- Shatter resistant rule 30cm/300mm
- Metal safety compass, 9cm pencil
- 13cm/60° set square
- 10cm/45° set square
