Overview

STABILO SENSOR (0.3mm) Fineliner Pen (Bright (Assorted Colours)) Pack of 4 Pen

The STABILO SENSOR is a classic fineliner which has been updated to now include 8 vibrant colours.

The unique cushion sprung tip reacts to your writing style.

Whether you glide over the paper or apply more pressure, the nib adjusts to give you smooth, comfortable writing.

This pack contains black, blue, red, green, light green, turquoise, purple and pink.

- Metal encased fineliner nib with a spring so tip does not bend, break or disappear
- Relaxed feeling whilst writing
- Excellent writing comfort, even under pressure!
- Well suited for use with a ruler
- Line width 0.3mm
- Premium fineliner with unique cushion sprung tip
- Line width: 0.3mm
- Metal encased nib for strength and durability
- Perfect for writing, drawing, detailed colouring and use with a ruler
- Non-slip grip zone for extra comfort and control
- Long lasting, fast drying, vibrant ink
- Assorted colours : black, turquoise, pink and purple
- Wallet of 4
