Overview

Stabilo Sensor Red Fineliner FOC Asstd

The STABILO SENSOR is a classic fineliner which has been updated to now include 8 vibrant colours.

The unique cushion sprung tip reacts to your writing style.

Whether you glide over the paper or apply more pressure, the nib adjusts to give you smooth, comfortable writing.

This pack contains black, blue, red, green, light green, turquoise, purple and pink.

- Cushion point fineliner with its own suspension system in the tip
- Ensures easy writing, reduces tip breakage and gives longer life
- Ventilated cap conforms to BS7272
- Line width: 0.3mm
- Premium fineliner with unique cushion sprung tip
- Metal encased nib for strength and durability
- Perfect for writing, drawing, detailed colouring and mind mapping
- Non-slip grip zone for extra comfort and control
- Long lasting, fast drying, vibrant ink
- Suitable for use with rulers and stencils
- Ink colour: red
- Pack of 10
