Re:Create Treesaver Recyled HB Pencil Pack of 72

Re:create Treesaver Recycled HB Pencil (Pack of 72) TREE72HBTIt is becoming increasingly important to evaluate the effect we have on the environment and it is for this reason that Re:create have created the Treesaver Recycled Pencil.

Made from 90% recycled plastic cups, these products are renewable and have less negative impact on the world's forests.

Designed not to splinter and to be resistant to chewing, these pencils are ideal for use in schools, especially around younger children..

Pencils made from 90% recycled material.

Splinter-proof and chew resistant design.

Features a standard hexagonal barrel.

HB for shading and bold use.

Includes recycled cardboard storage tub.

Supplied in a Pack of 72.

Ideal for students of all ages.
