Overview

Edding 750 Paint Marker Bullet Tip 2-4mm (Black) - 1 x Pack of 10 Paint Markers

The edding 750 gloss paint markers is the number one solution for shimmering, lacquer-like designs and decorations on smoother surfaces such as glass, metal or plastic.

With its smoothly gliding bullet nib you can easily spruce up a glass lamp shade, a glazed ceramic plant pot, a set of lacquered wood bookends, a tin tray...anything you want, really.

The possibilities are endless.

You can give a fresh, rejuvenated look to your surroundings thanks to its powerful, resistant colours including amazing glossy metallic tones all in your own style.

The edding 750 gloss paint marker has a 2 - 4 mm thick bullet nib and is available in 14 colours.

To use, shake the pen briefly with the cap on, then open the pen and place the nib on a piece of scrap paper.

Carefully pump it up and down until ink fills the nib.

The gloss paint marker is now ready to use.

The ink is very low odour and once dry is resistant to water, abrasion, light and heat.

- Gloss paint marker for highly opaque, permanent and smudge-proof writing and decorating on smooth and even dark and transparent materials, e.g. glass, metal, plastic and coated paper
- The round nib has a stroke width of 2 to 4mm
- The paint-like pigment ink is quick-drying, weatherproof, extremely lightfast and wear-resistant

- Available in 14 different colours
- Spare nibs are available
- Low-odour ink with no added toluene/xylene
- High-quality aluminium barrel
