Overview

Bic Conte Colouring Felt Pens 2mm Fine Tip 0.9mm Line Width (Assorted Colours) Pack of 20 Felt Pens

Conte Colouring Felt Pens are water-based instruments that can quickly add colour to your next art project.

Coming in 20 different colours, these felt tip pens allow you to make your work more personal with the same BIC standard.

The water-based ink is completely washable from most clothes and it comes with a safe cap security lock so you don't have to worry about a thing especially as they won't dry out even if left uncapped for 3 months.

- 2mm fine point tip gives line width of 0.9mm
- Ultra nib resistance to pushing-in
- Cap security lock
- Will not dry out even if left uncapped for 3 months (excludes black ink)
- Vivid colours, waterbased ink
- Washable on most clothes
- Made in Europe
- Available in metal box x 20
