Overview

Xerox Premium Digital Carbonless Pre-Collated A4 White/Yellow (210 x 297mm) 80Gm2 (Pack 500 Sheets)

Xerox Premium Digital Carbonless Paper is specifically designed for use in high-speed xerographic copiers and printers, including HP Indigo, Kodak NexPress and all other dry toner devices from desktop to production presses.

Printing forms on-demand has never been easier.

One product does it all - helping you save money, increase flexibility and improve productivity.

Create a wide variety of forms with digital print features including barcodes, logos, sequential numbering and any amount of variable data or personalisation.

- Guaranteed for all digital printers, including HP Indigo, and Kodak NexPress
- Fantastic results in colour and mono printers
- Benchmark image legibility on multi-part forms
- Great runnability - load the trays and let it run
- Clean running
- Superior toner adhesion and colour reproduction
