Overview

Mark-It Giant Year Planner 2017 MM09271

Double-sized, this dated year planner has extra large boxes allowing far more information to be displayed.

Colour tints help to visually separate one week from the next.

Now features the 52 weeks clearly labelled in addition to public holiday dates for all European Union member states enabling you to organise your business in advance.

Use the 2017 annual planner for planning staff holidays, events and deadlines.

Printed one side only, turn it over at year end and you have a great whiteboard! Laminated to last with a write-on, wipe-off surface.
