Overview

Canon Instant Dry Pht Ppr Gloss 914x30m

The Canon Instant Dry Inkjet Photo Paper is the optimal choice for posters, signage and other printing where a professional finish is vital.

This high density, 92% opacity, gloss paper roll combined with Instant Dry Technology ensures that you can be confident that there will be no problems with smudging, and your work can be laminated immediately.

This photo paper will give rich, vibrant colours and clear, crisp lines and tones to your work.

The highly durable 190g/m² weight of this photo paper will ensure you have superb, long lasting prints for displays and presentations where you want to stand out from the competition.
