Overview

Canon Photo Paper Pro Luster A3Plus Pk20 CO84401

With a pearl luster finishing and a high colour saturation reproduction, Photo Paper Pro Luster gives photos the look and feel of a traditional silver halide prints with high colour gamut and darker blacks, it is deal for printing photos taken on precious moment such as portraits, weddings and graduation.

This photo paper dries instantly and highly resistant to fingerprints, while allow easier handling and sharing.

- Canon A3+ LU-101 Luster Photo Paper
- This pack contains 20 sheets of Luster paper manufactured by Canon for specialist printing requirements
- It has a weight of 260gsm
- Luster paper is designed to provide the benefits of both gloss and matte paper, with none of the drawbacks
- This means you enjoy the vivid colour reproduction and touch resistance of gloss finishes, in addition to the minimal light reflective properties of matte paper
- A perfect middle ground, Luster paper is ideal for intense colour prints that need to be handled or displayed
