Avery CD/DVD Labels Laser Mono 2 per Sheet Dia.117mm DVD-safe Matt White [40 Labels]

Captured some special moments on camera? With the latest mobile phone and digital camera technology it's easy to take video footage anytime.

Why not create your own DVDs to watch these memories time and time again? You can make the DVD even more special by creating your own personalised labels.

It will also help you identify the DVD contents whether it's a family wedding or a baby's first Christmas.

It doesn't take long to create the labels when you use the DesignPro Software which includes over 800 pre-designed templates for DVD Labels.

- Material gives a smooth finish and excellent print quality for professional results
- Practical 'wings' on all CD and DVD Labels to allow for centred application and easy 'No Touch' handling
- Create your labels using the DesignPro Software that includes over 800 pre-designed templates for DVD Labels
