Overview

Avery L7083-10 Adhesive Sign Pockets Pack of 10

Do you have information that changes daily or frequently? This could be event information, menus or room reservations.

What you need are these sign pockets which make it quick and easy for you to update your information.

You simply print your sign on paper and slide it into the Avery Sign Pockets.

Once the temporary sign is no longer needed simply remove it and replace with new a new one.

The plastic sign holder is self adhesive and can stay attached to the wall or door to give a protective cover to your signs.

- Ideal for notices that are updated regularly such as menus, meeting room reservations and announcements.
- Simply print your new sign and slide it into the adhesive sign pocket.
- Ideal for temporary signs or frequently updated information.
- Create your signs using the free Avery templates and software
