Overview

Avery L7263Y-25 (99.1 x 38.1mm) High Visibility Laser Labels - Neon Yellow (350 Labels)

Need to get someone to take notice? Perhaps you've got some mail that needs reading urgently or it could even be fragile and you want the recipient to take care of it.

Use Avery High Visibility Labels to make something really stand out.

These yellow neon labels can be printed with your own message so they are great for labelling parcels and other important mail.

You can also choose from a range of other promotional labels in more eye-catching colours and shapes.

Simply use the free Avery software to design and print your labels in minutes.

- Maximum visibility for information and guaranteed impact for product sales and promotions
- Ideal for promotional labels, labelling products, packaging and brochures to highlight new or special information
- The neon yellow labels are also available in a choice of other eye-catching colours and shapes, including premium gold
- Save time with FREE Avery templates and software for Microsoft Office. Easy to download, easy to use
