Overview

Avery L7562-25 Laser Labels (99.1 x 33.9mm) Clear (Pack of 400 Labels)

When your mail drops through someone's letterbox you want to make sure it gets read.

Why not make it stand out from the rest by using these clear laser labels on your coloured envelopes? You can then use clear addressing labels to give a professional finish as it looks like the text has actually been printed on.

The transparent labels virtually disappear! You can peel and apply in no time using the unique QuickPEEL feature so it's a great office time-saver.

These clear laser labels can be used with black and white and colour laser printers.

- Great for coloured DL envelopes to make mail really stand out
- The clear labels for coloured envelopes blend into the background so it looks like the text has been printed directly onto the envelope
- 16 labels per sheet
- Fully compatible with most popular Laser printers, including Canon, Epson, Lexmark, Hewlett Packard and many more
- Save time with FREE easy-to-use Avery templates and software for Microsoft Office
