Overview

Evolution Business (A4) Recycled Paper (250 Sheets) 120gsm (White)

Evolution Business is produced from 100% recovered fibre certified to FSC standards.

The paper has high opacity and good sheet formation in addition to maximum ageing resistance.

Evolution Business has excellent runnability on all types of machines and is guaranteed for laser, inkjet and pre-print.

Evolution Business is manufactured using bio-energy and the local sourcing of materials, chlorine bleaching is not used in the production process, high whiteness is achieved thanks to a special converting process for the recycled fibre.

The mill utilises its own in-house de-inking process and is closed loop; there is no landfill.
