Overview

HP (610mm x 45.7m) Coated Paper on a Roll 90gsm (White) for DesignJet

HP Coated Paper is a premium coated paper that provides unsurpassed image quality and superior handleability.

Ideal for architectural renderings, displays, presentations, maps, light graphics, line drawings and diagrams.

This versatile paper is designed for use by graphic artists, designers, print service providers and engineers (CAD), architects (AEC), Geographical Information System (GIS) users, for applications as wide ranging as proofs, drawings, posters and presentations.

- An economical, everyday paper for vivid, high-resolution colour images
- Its bright white base produces rich colour images, accurate colours and dense blacks for finely detailed line drawings
