### Overview

---

HP (1067mm x 45.7m) Coated Paper on a Roll 90gsm (White) for DesignJet

HP Coated Paper is a premium coated paper that provides unsurpassed image quality and superior handleability.

Ideal for architectural renderings, displays, presentations, maps, light graphics, line drawings and diagrams.

This versatile paper is designed for use by graphic artists, designers, print service providers and engineers (CAD), architects (AEC), Geographical Information System (GIS) users, for applications as wide ranging as proofs, drawings, posters and presentations.

- High quality large format paper rolls for HP Designjet printers
- Coated Paper
- Bright white, plus excellent indoor light fastness for lasting vivid colour
- Exceptional bleed control and high resolution for clear, sharp images
- Generate colour-accurate everyday prints, working comps and design proofs with this economical, bright white paper
- It beautifully captures vivid, high resolution colour and dense black images and is an ideal choice for colour line drawings, illustrations and light ink-density graphics
- Size: 1067mmx45.7m
- 90g/m<sup>2</sup>
