### Overview

---

HP (1372mm x 30.5m) Heavyweight Coated Paper on a Roll 130gsm (White) for DesignJet 800, 800PS, 500, 500PS

Produce rich, colour-accurate, lasting prints and deliver on quick turnaround times.

HP Heavyweight Coated Paper is ideal for colour-accurate prints, working comps, and design proofs, and offers excellent handleability-roll or stack time-sensitive documents as soon as they come off the printer.

And to help you meet the environmental objectives of your company-and your clients-this recyclable,[1] PEFC™ certified paper supports responsible forest management worldwide.

- HP printers, Original HP ink supplies, and Original HP printing materials are designed to work together as a system to ensure uncompromising image quality, consistency, performance, durability, and value-every time
- From line drawing to illustrations and light ink-density graphics, see high-quality, consistent image quality print to print and roll to roll
- Handle prints with confidence right off the printer. An enhanced coating provides ink abrasion resistance to help you deliver on quick turnaround times
- Gain versatility with this premium bright white paper. From working comps and design proofs to fine line drawings and illustrations, meet the project needs and the environmental objectives of your company and clients with this PEFC™ certified paper
