Overview

HP (914mm x 91m) Coated Paper on a Roll 90gsm (White) for Designjet 5500/5000, 4000 and 1000 Printer Series

HP Coated Paper is a premium coated paper that provides unsurpassed image quality and superior handleability.

Ideal for architectural renderings, displays, presentations, maps, light graphics, line drawings and diagrams.

This versatile paper is designed for use by graphic artists, designers, print service providers and engineers (CAD), architects (AEC), Geographical Information System (GIS) users, for applications as wide ranging as proofs, drawings, posters and presentations.

- Coated Paper (C6980A)
- Dye and UV ink compatible and designed specially to provide colour-accurate prints, working comps and design proofs
- This economical, bright-white paper beautifully captures vivid, high-resolution colour and dense black images
- Weight: 90gsm
- Roll Size (WxL): 914mmx91.4m (36inch)
