### Overview

---

HP (A1) Coated Paper on a Roll 90gsm (White) for DesignJet

HP Coated Paper is a premium coated paper that provides unsurpassed image quality and superior handleability.

Ideal for architectural renderings, displays, presentations, maps, light graphics, line drawings and diagrams.

This versatile paper is designed for use by graphic artists, designers, print service providers and engineers (CAD), architects (AEC), Geographical Information System (GIS) users, for applications as wide ranging as proofs, drawings, posters and presentations.

- Produces consistent quality for line drawings and renderings, from roll to roll and across all sizes (including 91m), saving you time and money
- Delivers perfect prints every time, with strong resistance to ink abrasion for reliable, trouble-free unattended printing
- Provides improved handleability, which increases productivity and convenience, while reducing waste and production costs
