Overview

Epson (A4) Archival Matte Paper (50 Sheets) 192gsm (White)

This matte 189 g/m² paper-based medium is exclusively used with pigment ink.

With the current silver-halogenide system, users could not print out matte pictures unless they subjected them to a complicated procedure.

This paper is not the only solution for this complex procedure; however, it is attractive for many professional users that have been waiting for such a type of paper for a long time.

- Paper size: A4
- Matte paper
- Colour: White
